## Other Speakers

**Helen Berhane:** is a member of the Rhema church, one of several minority Evangelical Christian churches not officially recognized by the state of Eritrea and heavily persecuted. She was arrested on 13 May 2004, shortly after she released an album of Christian music, after refusing to sign a document pledging to end all participation in Evangelical activities, which included her music. She was detained at Mai Serwa military camp, north of the capital Asmara. She had no possibility of contact with her family and was denied legal representation or medical care. She was released in November 2006 after an international campaign led by Amnesty International, Christian Solidarity Worldwide, and Release International, suffering heavy illnesses. She and her daughter Eva were granted asylum in Denmark after fleeing separately to the Sudanese capital of Khartoum for refuge.

She wrote a book *Song of the Nightingale* to share her story.

**Wednesday 7pm: A Story from the Persecuted Church** Helen Berhane will share her testimony.

**Thursday 1:30pm: Seminar - How to Support persecuted Christians** Helen Berhane has been involved with Voice of the Martyrs and speaks regularly for organisations that help persecuted Christians especially in her homeland. She will share what she can about how to support our brothers and sisters in such places.

**Thursday 8:30pm: Café:** Helen will be sharing some of her Eritrean Gospel Music.

**Marc and Margaret Schuthof:** spent the first 25 years of their married life in Sydney Australia, where they raised their three children, ran an IT Consulting business and were involved with Ellel Ministries. God moved them in miraculous way from Australia to the Netherlands in September 2012. Since then they have been leading the work of Ellel Ministries in the Netherlands, with a heart to see broken lives and broken marriages restored to Godly order.

**Thursday 11:30am: Practical Teaching – Marc will be speaking on God’s joy in times of uncertainty and anxiety, and the joy in trusting Him in difficult times** When we arrived in the

Netherlands in September 2012, the work of Ellel Ministries had just about stopped due to financial and team issues. God did a something amazingly beautiful in healing the people and restoring the work.

**Thursday 7pm: Margaret will be speaking about God’s joy in times of grief** Just after we arrived in the Netherlands, our son died in a vehicle accident. Margaret will be talking about God’s presence and love during the devastating and challenging days after his passing.

**Friday 1:30pm: Evangelism Q&A: Venue: Big Tent**
