

Here is a colouring sheet from the book. It is at the point when the bird is healed and ready to go back to the outside world. What do you think the mum and Will are saying to each other...why do you think Bob Graham has placed birds flying out of the window?

How to Heal a Broken Mind

This story is a lot like the Parable of the Good Samaritan in the Bible where a man who was on a journey got hurt and who helped him.

Jesus told lots of stories when He was on earth as a way to teach us. Jesus' stories are called parables.

Here is a pdf that tells the parable of the Good Samaritan. You can find this parable in the Bible in the New Testament Luke 10.

and this is a booklet that you can download and colour and make for yourself.

Who can you be a good friend to and help them when they need someone beside them to look after them for a little while?

Bob Graham has some great picture books. This link has a photo of him and a little about who he is and the books that he has written and illustrated
